

**PLEASE READ CAREFULLY**

Please check the layout (spacing, spelling, size, position...). The colors used for this proof are for guidance only and may not represent the exact colors to be used. Due to variations in material, imprint methods and ink opacity, exact color matching cannot be guaranteed on all colored substrates. BIC will try to match the color as close as possible. This is a digital "perfect" proof. Final production may have **slight printing imperfections** and **slight color variation**, this is due to the opaque screen printing process.
